Introduction

Water for Fodder - Round 1

Fields marked with * are required

Water available (ML):

Application volume (ML):

Price per megalitre (\$/ML):

Total value of Application (\$):

Sale Open Time:

This form is a sample only. The exact appearance of each electronic form will vary, depending on how applicants respond to questions in the form. Applications must be submitted using the online Application Form

Introduction

Please complete this Application Form in order to make an Application to purchase 50 megalitres of water allocations from the South Australian government. Applications must be submitted after the Sale Open Time.

Sale Open Time:

Determining Sale Closure Time: Each day after 10:00am AEDT the Applications for the 24 hours prior to 10:00am AEDT on that day will be processed by the Department of Agriculture to check the total number of Applications received to that point, and to determine eligibility. Successful applicants will then be emailed with the link to the next form.

Sale Close Time: We will issue a Sale Closure Notice once the number of Eligible Applications received equates to a volume of water allocations which exceeds the Sale Volume. This notice will be published advising the Sale Close Time, which will be at 10:00am AEDT on the day after the notice is published. Applications can be submitted until the 10:00am AEDT on the day after the notice is published. The notice will be published at <https://www.agriculture.gov.au/water/mdb/programs/basin-wide/water-for-fodder>

Required Information: Applicants must enter (among other details):

- ABN
- Water allocation account number
- Right to Use number

Conditional Acceptance and Ballot: The sale process will involve a ballot for those Eligible Applications received in the 24 hours prior to us determining that Round 1 is fully subscribed, so Applicants are encouraged to submit their Applications early as this may increase their chance of Conditional Acceptance.

Form Definitions

Terms which are not otherwise defined in this Application Form are defined in the [Guidelines](#). In completing and submitting this Application Form, it's important that you understand the following key terms:

Account Holders means all of the holders or owners of the Allocation Account

Follow-up Contact

The Commonwealth is committed to continuing assessment of the impact of the Water for Fodder program and will publish the findings of that assessment. We will be seeking feedback and information from some Applicants as part of that assessment.

Further information is available from the Guidelines. Please indicate by checking the box below if you do not wish to be contacted to provide feedback for the above purpose.

I do not wish to be contacted by the Commonwealth in connection with this application.

Water for Fodder program updates

We would like to provide you with updates about future opportunities to purchase water.

I do not want to be on the mailing list for future.

All personal information about a subscriber is protected under the Department's Privacy Policy available at <https://www.agriculture.gov.au/about/privacy>.

Closing declaration

This declaration is made by the Authorised Person whose details are set out in the "Authority to submit this Application" section above.

On behalf of and with the full authority of all Account Holders I confirm and declare that:

All information provided in this Application Form and any other information provided is complete and accurate as at the date this Application Form is submitted and satisfies the Eligibility Criteria in the [Guidelines](#); *

The Applicant is making an Application to purchase 50 megalitres of water allocations from South Australia for \$5,000, to be transferred into the nominated Allocation Account, and we are able to pay for this purchase as well as all costs associated with the delivery of the water allocation and the production of Fodder; *

The Applicant has made no more than two Applications under Round 1 of the Water for Fodder program, including this Application; *

No more than 1000 megalitres has been available for delivery to the nominated Allocation Account this water year (through carryover and/or allocations); *

The Applicant is a primary producer; *

Any Allocation received into the nominated Allocation Account under the Water for Fodder program is able to be and intended to be used before 30 June 2020 to grow Fodder on land which is linked to that Allocation Account and the Applicant does not intend to carry over any part of the Allocation received; *

The Applicant has read and has complied with and intends to comply with the Guidelines last updated [Guidelines Date] and any later amendments, and the Applicant has referred to the website at <https://www.agriculture.gov.au/water/mdb/programs/basin-wide/water-for-fodder> before submitting this Application; *

The Applicant has not: *

- been named by the Workplace Gender Equality Agency in a report to the Minister responsible for the Workplace Gender Equality Act 2012 (Cth), as an employer currently not complying with the requirements of that Act
- been subject to a judicial decision relating to employee entitlements, not including decisions under appeal, where the Applicant has not paid the claim
- engaged in any misleading or deceptive conduct, collusive bidding, anti-competitive conduct, or any other unlawful or unethical conduct in connection with the Application
- attempted to solicit, or solicit information from, or influence improperly any current or former officer, employee, contractor or agent of the Commonwealth, or violate any laws or Australian Government policy regarding the offering of inducements in connection with the Application
- engaged in, or procured or encouraged others to engage in, activity that would result in a breach of the Lobbying Code of Conduct and APSC Circular 2008/4 Requirements relating to the Lobbying Code of Conduct and post separation contact with Government;

The Applicant consents to: *

- the Department's privacy policy
- providing their details and personal information to the Commonwealth for the administration of the sale of water allocation by the Commonwealth and for any purpose in connection with the functions of the Commonwealth
- the Commonwealth disclosing their personal information to overseas companies (including ones located in the United States) for the purpose of using email automation platforms and analytics to communicate effectively and efficiently with stakeholders
- the Commonwealth disclosing their personal information to instrumentalities of the South Australian Government for the purpose of facilitating the trade of the Allocation and acknowledges that the relevant trade approval forms containing personal information will be lodged with authorities responsible for the approval of water allocation trades in South Australia and in the jurisdiction of the Allocation Account;

The Applicant acknowledges that the Commonwealth may publicly release, including by publishing on the [Website](#): *

- information regarding successful applicants, such as the applicant's name, ABN and address, volume of water allocation transferred, Allocation Account and Water Access Entitlement registration number and water resource area, and the land linked to the Allocation Account on which the Allocation is to be used; and
- details of the outcomes of the Water for Fodder Program including photographs and reports and any other information acquired by us in connection with the Water For Fodder Program, its implementation and/or any outcomes, including any information provided to or obtained by us as a result of any monitoring or compliance and enforcement activity in relation to the Program, and the Applicant consents to that public release;
