

COMMONWEALTH OF AUSTRALIA

Environment Protection and Biodiversity Conservation Act 1999

Accreditation of Plans of Management for the Purposes of Part 13

I, ANDREW MCNEE, Assistant Secretary, Marine Environment Branch, as Delegate of the Minister for the Environment and Water Resources, being satisfied that the South Australian fisheries management regimes specified in the Schedule hereto:

- require persons engaged in fishing under the management regimes to take all reasonable steps to ensure that members of listed threatened species, listed migratory species, cetaceans and listed marine species are not killed or injured as a result of the fishing; and
- do not or are not likely to, adversely affect:
 - the survival or recovery in nature of any listed threatened species; or
 - the conservation status of a listed migratory species, cetacean, or listed marine species or a population of that species,

hereby accredit the management regimes for the South Australian fisheries specified in the Schedule hereto, pursuant to sections 208A, 222A, 245 and 265 of the *Environment Protection and Biodiversity Conservation Act 1999* for the purposes of Divisions 1, 2, 3 and 4 of Part 13 of the EPBC Act.

This instrument commences on the same day that the relevant provisions of the *Fisheries Management Act 2007* (South Australia) commence.

Dated this 29th day of November 2007

[Signed]

.....Andrew McNee.....
Delegate of the Minister for the Environment and Water Resources

SCHEDULE

Accreditation of Plans of Management for the Purposes of Part 13

Fishery to which the accreditation applies	Management regime to which the accreditation applies
