

Permit Report: Permit for Access to Biological Resources under Part 8A of the Environment Protection and Biodiversity Conservation Regulations 2000

1. Details of the access permit

Title

Permit number

Permit holder/Issued to

Date of issue

Date of expiry

2. Sample Record

Please complete Attachment A – Sample Record, which list details of all samples collected.

3. Report on research findings

Please provide a short description (approximately 250 words) on the research covered by your permit. Highlight any research findings that might be useful in building the knowledge of the biodiversity of the area where the samples were collected. For example, include links to publications arising from research on the samples, and any other useful ecological and biological information gathered.

OR

If you have already provided a report to the Commonwealth related to this research project please indicate to whom it was provided and when.

4. Taxonomic Duplicate

Check the box if you have offered a taxonomic duplicate of the Samples to an Australian public institution.

If you consider it is not practical or in the interests of the conservation of the species to collect taxonomic duplicates please contact us to discuss.

5. Declaration

I [*insert full name and title*] declare:

1. I am authorised to make this declaration for and on behalf of [*insert permit holders name/organisation*] and that the information and statements contained in this report are correct to the best of my knowledge.
2. The permit holder has not undertaken, or allowed others to undertake, commercial research and development on the biological resources without a benefit-sharing agreement with the Access Provider.
3. The permit holder has not transferred the Samples to a third party (except a taxonomic duplicate) without the permission of the Commonwealth.

Signature: _____

Date: _____

6. Contact details

Reports must be provided by 31 March each year and can be emailed to grm@environment.gov.au or posted to:

Protected Area Policy and Biodiscovery Section
Department of Sustainability, Environment, Water, Population and Communities
GPO Box 787
CANBERRA ACT 2601
AUSTRALIA

7. Feedback (optional)

In order to assist in developing more efficient reporting systems, please provide an estimate of the time taken to complete this form.
